

## School Music Program Participation

Name of Student: \_\_\_\_\_ YSSO Ensemble: \_\_\_\_\_

School Name: \_\_\_\_\_

The musician noted above auditioned for the Youth Symphony of Southern Oregon organization and was selected to participate in a YSSO ensemble.

It is the policy of the governing board of the YSSO that each YSSO musician shall participate in her/his school music program, if available. YSSO training and performance opportunities are intended to supplement school music programs (including band, orchestra, chamber orchestra, jazz band, music theory and history courses/classes, general or special music classes and choral music ensembles) rather than supplant music programs. YSSO musicians are expected to be enrolled in a school music class or ensemble for the school year.

To ensure compliance with YSSO board policy, the YSSO needs your assistance verifying whether the student is enrolled in the school's music program or if the student is unable to participate in any music class/ensemble due to the conflict documented in the attached letter from a parent. Please review the following, check the applicable option, sign below and return the form to the musician. Each musician is expected to return this completed and signed form to the YSSO. Thank you.

The student is enrolled in the school's music program for the 2011-2012 school year.
